Frontiers in plant environmental response research
local signaling, long-distance communication and memory for developmental plasticity

Nov.18 Mon. — Nov.19 Tue. 2019

Venue Noyori Conference Hall, Nagoya University

Speakers
Sarah M. Assmann [Pennsylvania State Univ., USA]
Toshinori Kinoshita [Nagoya Univ., Japan]
Hannes Kollist [Univ. of Tartu, Estonia]
Alexander Jones [Univ. of Cambridge, UK]
Norihito Nakamichi [Nagoya Univ., Japan]
Tomonao Matsushita [Kyushu Univ., Japan]
Stacey Harmer [Univ. of California, Davis, USA]
So-Yon Park [Virginia Tech., USA]
Hitoshi Sakakibara [Nagoya Univ., Japan]
Yoshikatsu Matsubayashi [Nagoya Univ., Japan]
Masatsugu Toyota [Saitama Univ., Japan]
Gabriel Krouk [CNRS, France]
Iva Mozgová [Czech Academy of Sciences, Czech]
Danhua Jiang [Chinese Academy of Sciences, China]
Sachihiro Matsunaga [Tokyo University of Science, Japan]

Registration
